

Conditions of Enrollment & Pledge of Cooperation

I understand all students are admitted on a probationary status and the school reserves the right to dismiss any student exhibiting a pattern of non-cooperation with our educational program and/or standards of conduct.

In keeping with biblically-based standards taught and encouraged at CCCA, I understand discipline may be enforced for issues unaddressed in a public school setting or in other private schools. I give school administration full discretion as to the discipline of my child, including demerits, detention, and suspensions, for conduct deemed improper, regardless of where the incident occurs. I understand a conference may be requested with administration if I disagree with the discipline imposed.

I understand that CCCA adheres to a uniform policy, with specific standards given regarding acceptable color, type, length and fit of clothing worn at school or school-related functions. I have received a copy of the policy and understand it will be enforced, with increasing consequences related to the number of warnings given and/or the severity of the violation.

I agree to fully cooperate with school administration regarding all actions requested of me related to my child's enrollment, academic performance, and/or enforcement of school rules, standards, and policies. I further agree to uphold the aims and ideals of CCCA, encouraging my student to do the same. I acknowledge that CCCA has a "Zero Tolerance" policy regarding student possession and/or use of drugs and alcohol, whether on- or off-campus.
