

Uniform Policy & Guidelines

WHY UNIFORMS?

CCCA standards of dress are based on scriptural teachings of modesty and appropriateness and apply to all school events unless activity-specific clothing is otherwise indicated. We are committed to Christian excellence not only in word and deed, but also appearance. Uniforms facilitate school pride while helping maintain a focus on learning in the classroom and may help reduce clothing costs, which are influenced by ever-changing fashion trends. Uniforms can also help increase security, making non-CCCA individuals obvious on or around campus.

UNIFORM REQUIREMENTS

Clothing should be a style/fabric considered uniform-standard. However, many items advertised as uniform-standard (i.e. shorts, jumpers, skirts) **will not** meet CCCA standards regarding length. There is no requirement to purchase from a specific store or vendor. Administration has final authority regarding questions of appropriateness and may adjust any dress code requirement at any time to maintain school standards of dress.
